WORK EXPERIENCE

STUDENT AMBASSADOR

Illinois Institute of Technology Office of Undergraduate Admission, Chicago, IL

DEC 2023 – PRESENT

- Utilize Salesforce and Slate CRM to manage prospective student records, track interactions, and update application data.
- Created, wrote, and designed a monthly internal newsletter for the admissions office, improving staff communication and engagement.
- Manage customer service cases related to college admissions, resolving inquiries efficiently via phone, email, and in person, including during special events.
- Deliver engaging campus tours to diverse audiences, highlighting academic programs, student life, and campus resources.
- Perform outreach phone call campaigns to increase customer engagement.
- Redesigned campus tour route including design of new dorm show room

GAME DESIGN INTERN PROJECT MANAGER

Excelerate ESports & Game Design, [Online](#)

JUN 2023 - JUL 2023

- Collaborated with an international cohort of game designers to conceptualize and develop an original game for a confidential production company.
- Oversaw the creation of a comprehensive Game Design Document (GDD), including mechanics, narrative, visual style, and technical specifications.
- Drafted, formatted, and refined most of the project documentation to maintain clarity, consistency, and professional presentation
- Coordinated communication across multiple time zones to ensure smooth collaboration and on-time deliverables.

VOLUNTEER EXPERIENCE

Smart Tech Lab Volunteer

JUN 2026 -

PRESENT

Department of Information Technology and Management, Illinois Institute of Technology

- Debugged model of PoE emergency LED light alert and escape system
- Designed guest tour of the PoE emergency system project, including a script, a simplified hardware infrastructure logical diagram, and signage
- Manage improvement projects on the PoE emergency system

Volunteer Chair

AUG 2024 - DEC 2024

Kappa Phi Delta Sorority

- Led and organized all chapter volunteer and philanthropy activities for the semester, coordinating efforts for 41 members.
- Planned and executed community service events totaling 284.25 volunteer hours in support of local and national causes.
